NOTICE OF APPEAL

PDX, INC., et al,

(List the full name(s) of the defendant(s)/respondent(s).) Appellees

Notice is hereby given that the following parties: BRIAN COKE NG

(list the names of all parties who are filing an appeal)

in the above-named case appeal to the United States Court of Appeals for the Second Circuit

from the ☐ judgment ☒ order entered on: March 30, 2021
(1). The decision in the Order had indicated in separate parts, that the Bankruptcy Court did not err in declining my reasonable accommodation due to my disability. (2). In reference to the Product Liability cause of action, in the claim for strict liability under a design defect theory and negligence against PDX, the Order had indicated in separate parts, that "because Appellant did not identify any particular problem in the design of the product," "...his Product Liability claim was properly dismissed.". Additionally, in reference to my injuries as a result of the defective design and the negligence of PDX, the Order had indicated in separate parts, that "these injuries are not the harms typically associated with the hazards of unwarranted disclosure of health records and information"..."Nor are they part of foreseeable risk of failure to safeguard protected health information"..."Thus, Appellant's negligence claim was properly dismissed."
(If the appeal is from an order, provide a brief description above of the decision in the order.)
